10 Reasons

You Should Plant Trees ... Now!
 1 Trees conserve energy in the summer, and save you money.
 2 Trees help clean the air.
 3 Trees bring songbirds close by.
 4 Trees around your home can increase its value by up to 15% or more.
 5 Trees help clean our rivers and streams.
 6 Trees conserve energy in the winter.
 7 Trees fight global warming.
 8 Trees make your home, and your neighborhood, more beautiful.
 9 Tree planting is fun!
 10 It's easy! Here's how: Join the nonprofit Arbor Day Foundation and we'll send you 10 trees ... FREE ... with easy-to-follow planting instructions.
 When you join you'll receive 10 flowering trees: 2 Flowering Dogwoods, 2 Flowering Crabapples, 2 Goldenrainrees, 2 Washington Hawthorns and 2 American Redbuds, or other trees selected for your area. You'll also receive the Foundation's colorful bimonthly *Arbor Day*, a membership card and *The Tree Book* with tree planting and care information.
 Your six to twelve inch trees are guaranteed to grow or they'll be replaced free of charge.
 *Trees are shipped when conditions are right for planting in your area, February through May in the spring or October through mid-December in the fall.
 To receive your free trees, send a \$10 membership contribution to:
 10 Flowering trees, The National Arbor Day Foundation, 100 Arbor Ave., Nebraska City, NE 68410 or join online at arborday.org.
 Join now and plant your Trees for America!
